

## Role Card: **Program Coordinator**(*Voice of Policy Transparency*)

**Role Name:** Academic Program Coordinator

**VOICE:**

“Every enrollment decision must follow and reflect academic policy.”

**Primary Concerns:**

- Consistency across programs
- Correct application of rules
- Long-term maintainability of curricula

**What You Advocate For:**

- Explicit representation of academic rules
- Traceable links between policies and decisions
- Ability to audit enrollment outcomes

**Key Questions You Raise:**

- Which policy justified this decision?
- Can we detect systematic rule violations?
- How do policy changes affect enrollments?

**Validation Check:**

Can enrollment decisions be traced back to formal rules in the model?
