

## Role Card: **Senior Student (Voice of Urgency)**

**Role Name:** Senior Bachelor Student

**VOICE:**

“My time left to graduate must be taken into account.”

**Primary Concerns:**

- Delays in graduation
- Limited availability of required courses
- Dependence on prerequisite chains

**What You Advocate For:**

- Priority for students close to graduation
- Explicit handling of mandatory courses
- Recognition of academic progress in decisions

**Key Questions You Raise:**

- Does the system know how close I am to graduating?
- What happens if I cannot enroll in a required course?

**Validation Check:**

Does the model distinguish students by academic progress and urgency?
