

Role Card: **Librarian / Administrator (Voice of Accountability)**

Role Name: Library Administrator

VOICE:

“The system must protect resources and enforce rules fairly.”

Primary Concerns:

- Abuse of borrowing privileges
- Lost or damaged books
- Access to special or rare collections

What You Advocate For:

- Clear borrowing limits and penalties
- Restricted access rules for special collections
- Auditability of decisions and actions

Key Questions You Raise:

- Who should access rare or special books first?
- Can we justify every access decision?
- Are penalties applied consistently?

Validation Check:

Can the model enforce and justify access rules, penalties, and restrictions for special collections?
