

## **Role Card: Course Instructor (*Voice of Pedagogical Quality*)**

**Role Name:** Course Instructor

**VOICE:**

“Enrollment decisions must protect the quality of teaching.”

**Primary Concerns:**

- Overcrowded classes
- Students lacking prerequisites
- Loss of instructional control

**What You Advocate For:**

- Enrollment limits and prerequisites
- Instructor-defined constraints
- Ability to review enrollment outcomes

**Key Questions You Raise:**

- Who decides how many students can enroll?
- Are prerequisites enforced automatically?
- Can exceptions be handled responsibly?

**Validation Check:**

Are teaching constraints explicitly written or just assumed?
